Chaperon Responsibilities:

While on Bus

- Head bus chaperone will take attendance.
- Maintain a comfortable noise level – students should talk to their neighbors, not yell to others to be heard.
- Students should remain quiet as we are pulling into our destination so that instructions may be communicated with ease.
- Chaperones should sit with the band spread throughout the front, middle, and back of the bus to assure students are following school and district policies.
- Have students clean the bus of all trash once we arrive back to school.
- No PDA! (Public Display of Affection)

While in Stadium

- Sit with students while we are in the stands.
- Have students sit in a group as a band, not dispersed among other bands, fans, or students.
- Ensure that all students are being respectful during performances or football games.
 - Students are not to leave or enter the stands when a band is performing.
- Help student leaders ensure that all students stand at attention during our portion of award presentations.
- Have students clean each area that we have occupied.
- No PDA! (Public Display of Affection)

In General

- Disrespect toward you or others should be mentioned to Mr. McGee ASAP - it will not be tolerated!
- Make sure that all students represent our band, school, and district in a positive and proper manner.
- Do not allow any student to wear their bibbers with the suspenders down below their shoulders.
