## Chaperone Responsibilities

### *While on Bus*

- ✓ Count heads on bus – Head bus chaperone will do this for each bus.
- ✓ Maintain a comfortable noise level on bus – students should talk to their neighbors, not yell to others to be heard. Students should have “quiet time” as we are pulling into our destination.
- ✓ Sit with the band (front, middle, back) to assure students are following school and district policies.
- ✓ Have students clean areas we leave (buses, stadium seats, restaurants, etc.)
- ✓ Only allow students to use cell phones when returning to SV from destination to call their ride.
- ✓ No PDA! (Public Display of Affection)

### *While in Stadium*

- ✓ Walk students in a line of “two’s” to restrooms once this direction has been given by a director.
- ✓ Sit with students while in the stands.
- ✓ Have students sit in a group as a band.
- ✓ Assure that all students are sitting quietly and are being respectful during performances. (Students are not to get up and walk about when a band is performing.)
- ✓ Help student leaders during monitor students as they stand at attention during their portion of the award ceremony.
- ✓ Have students clean up their areas before leaving.
- ✓ Walk students back to bus in a line of “two’s” once direction has been given.
- ✓ Confiscate phones if students are using them. (This is district policy!)
- ✓ No PDA! (Public Display of Affection)

### *In General*

- ✓ Disrespect toward you or others should be mentioned to the band director ASAP as it is not tolerated.
- ✓ Make sure that all students represent themselves in a positive manner as they are representing our band, school, and district.
- ✓ Do not allow any student to wear their bibbers with the suspender part down below their shoulders.
