David C. Allison, Director of Bands

TO: The 2A and 4A Directors.

Congratulations on your great performance at Upper and Lower State Finals! I want to welcome you to Spring Valley High School. Our Band Parent Booster Organization, band students, and staff have worked very hard to provide you with a comfortable, well organized performance environment. If there are any questions, or you need assistance, please ask one of our volunteer parents. They are well identified by the bright staff Festival T-Shirts, and ID badges.

We have also worked hard to provide your students, and spectators with high quality concession and vendor options. We would appreciate it if you would plan to have your band dine with us at the school. We have great variety to choose from at great prices, and it will be difficult to have buses leaving and returning once they are parked. We also have great t-shirts and programs for your students and fans.

A very well stocked Director Hospitality room is located in the commons. This is accessible by the doors behind the home side concession stands in the main school building. Please refer to the map that we provided for any questions of the flow from warm-up areas, to the stadium, and back to the buses.

We would like for the bands to sit on the visitor side after they perform. Concessions are on both sides of the stadium, but students may enjoy shopping both sides for vendor variety.

Below are a couple of rules to follow:

- A) Please make sure that your pit equipment does NOT drive on the track except where we have provided access on and off of the field. We have a very picky turf manager. Need I say more?

- B) Turf tires are required on all vehicles when driving on the grass. Do not make sharp or excessive turns please. No use of Fire extinguishers, glitter, confetti, or other substances that may harm or litter the performance field.

- C) Cooking/Grilling is prohibited on the Spring Valley campus. In fact, we host this event as a fundraiser, so we would appreciate it very much if your band would eat from our concession and vendor menu.

Thank you for joining us at Spring Valley. I wish you and your band great success. I hope that it is your best performance of the season.

Musically Yours,

David C. Allison

Director of Bands

Spring Valley H.S.
